

## **What Is the Church of Christ?**

Most of you have heard about the recent events in Selmer, TN. Due to the tragedy that has occurred, many have questions about the church of Christ and what we believe. Some have even gone on television and falsely accused us of several things. Therefore we ask, "What is the church of Christ?"

We are a church who believes that the Bible is the inspired word of God (2 Timothy 3:16-17). We believe that the things that are in the Bible are true. We also believe that there is a purpose for the word of God in our lives today. We do our very best to follow the word of God as it is revealed in the New Testament.

In terms of salvation, we believe that everyone "who does the will of the Father" will be saved (Matthew 7:21). It is not up to us to determine what is necessary for salvation. God has told us, through His word, the conditions that are necessary to obtain salvation. All who are obedient to His word will have eternal life.

We believe that Jesus died to establish only one church (Matthew 16:18). It was His blood that purchased His church (Acts 20:28). God does not want His church to be divided (1 Corinthians 1:10-13). It is into this one church that the saved are added (Acts 2:47).

It is our goal to follow the word of God. In all aspects of our lives, we want to be faithful to His word. It is only then that we can be pleasing to Him and have the hope of eternal life.
